

## Now Available - Premium Audit Dashboard

**EMPLOYERS Agents can now stay informed and up-to-date on their clients' premium audits within *EACCESS*®.**

Our Premium Audit Agent Dashboard is available through *EACCESS* by clicking *Premium Audits*. From there, you will find the following functionality to help you more easily keep tabs on your clients' premium audits:

- Check the status of the final premium audit for any policy within your book of business online, 24/7.
- Quickly review all policies with your book of business and filter to view audits which are active, delinquent, received, submitted, completed and non-compliant.
- You will also now receive email notifications when a policyholder is delinquent on their final premium audit. This will allow you to proactively work with your client to complete their audit, if needed.

Log into *EACCESS* today at [eaccess.employers.com](https://eaccess.employers.com) and click *Premium Audits* to checkout this new functionality.
